An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Notes Forming Part of Financial Statements for the year ended 31st March, 2016

1 SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF PRESENTATION OF FINANCIAL STATEMENTS

The financial statements have been prepared under the Historical Cost Convention in accordance with the generally accepted accounting principles in India and the provisions of the Companies Act, 2013.

B. USE OF ESTIMATES

The preparation of financial statements in confirmation with GAAP requires the management to make estimates and assumptions considered in reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that estimates used in preparation of financial statements are prudent and reasonable. Future results could differ due to these estimates and the difference between actual results and the estimates are recognised in the periods in which these gets materialized.

C. INVENTORIES

Closing stocks are valued at lower of cost or estimated realisable value. Cost of inventories comprise Cost of Purchase, Cost of Conversion and other costs incurred in bringing them to their respective present location and condition.

D. EMPLOYEE BENEFITS

- (a) All the Short Term Employee Benefits are accounted for on the basis of services rendered by the employees of the company.
- (b) Company contributes towards Provident Fund which is Defined Contribution schemes. Liability in respect thereof is determined on basis of contribution required to be made as per statutes/ rules.
- (c) No provision has been made for Long Term Employee Benefits such as Gratuity and Leave Encashment as in the opinion of the management no such liabilities has become due as at the end of year.

E. REVENUE RECOGNITION

Sale of Goods

Sales of goods are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer which generally coincides with the delivery of goods.

Export Benefits

Export Benefits are recognized in the year of export

F. BORROWING COST

Borrowing Costs that are attributable to the acquisition, construction or production of qualifying assets are capitalized as part of Cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

G. CENVAT and VALUE ADDED TAX (VAT):-

CENVAT and VAT credit received on purchases is reduced from respective item of purchases. Excise Duty & VAT on Sales is credited to Payable account and differential amount, if any, is paid. Thus, the company has followed exclusive method of accounting whereby purchases, sales and stock is shown exclusive of Cenvat & VAT and accounted for in separate Account.

H. FOREIGN CURRENCY TRANSACTION

The Foreign Currency Transaction of the company includes Purchases of Fixed Assets and Sales of Texturized Yarn which are valued at the Rate prevailing at the time of the transaction.

MAXUM METALS PVT. LTD.

Monetary assets & liabilities in foreign currency, outstanding at the close of year, are converted into Indian currency at appropriate exchange rate prevailing on date of Balance Sheet. The resultant gain or loss, except to the extent of long term monetary items, is charged to Statement of Profit & Loss.

Gain or Loss relating to Long Term Monetary items for financing acquisition of depreciable capital assets, is adjusted to the acquisition cost of such asset and depreciated over its remaining useful life.

I. TAXES ON INCOME

Tax Expenses comprises of both current and deferred tax at the applicable enacted rates. Current tax represents the amount of income tax payable in respect of taxable income for the reporting period. Deferred tax represents the effect of timing differences between taxable income and accounting income for the reporting period that originate in one period and are capable of reversal in one or more subsequent periods. MAT credit available on current tax is recognised as asset. MAT credit is recognised if there is convincing evidence of realization of the same.
