21. STATUTORY AUDITORS

M/s. Rajendra Sharma & Associates, Chartered Accountants (FRN: 108390W) were appointed as the Statutory Auditors of the Company at the 27th Annual General Meeting of the Company held on 07th August, 2018 for a term of five consecutive years commencing from financial year 2017-18 up to Financial Year 2021-22, from conclusion of the 27th Annual General Meeting of the Company till the conclusion of the 32nd Annual General Meeting of the Company and their appointment would be placed for ratification by the members at every Annual General Meeting during the said term.

The Ministry of Corporate Affairs has notified amendments in the provisions of Section 139 of the Companies Act, 2013 and Rules made thereunder with effect from 7th May, 2018. Pursuant to the said amendments, the requirement for ratification of appointment of Statutory Auditors by the Shareholders at every subsequent Annual General Meeting till the conclusion of their tenure has been done away with.

In view of the above, ratification by the Members for continuance of their appointment at this AGM is not being sought. The Statutory Auditors have given a confirmation to the effect that they are eligible to continue with their appointment and that they have not been disqualified in any manner from continuing as Statutory Auditors. The remuneration payable to the Statutory Auditors shall be determined by the Board of Directors based on the recommendation of the Audit Committee.

AUDITORS' REPORT

Members' attention is invited to the observation made by the Auditors under "Qualified Opinion" appearing in Auditors Reports.: *The Company has not provided for Post-Employment Benefits and other long-term employee benefits under Defined Benefit Plans on accrual basis but provides the same as and when they become due for payment. This method of accounting of Post-Employment Benefits and other long-term employee benefits under Defined Benefit Plans is in deviation with Ind AS – 19 on Employee Benefits. As there is no actuarial report or basis of calculation available with the management of such Post-Employment Benefits and other long-term employee benefits, the quantum of deviation cannot be ascertained. If the company had followed the method accounting as per Ind AS – 19, then employee benefit expense would have increased and correspondingly Profit for the period would have reduced.*

"The Board is of the opinion that the Provision for the Long term Employees are determined on the basis of actuarial Valuation Method & technique prescribed in the Accounting Standard. The Consulting fees by actuaries for determining the Provision for long term benefit Plan is even higher than the Annual Liability of the company for Long term benefits. The company has decided to pay the Long term benefits as and when it becomes due as the amount is negligible and it is not going to make any impact on the financial Position of the company. Considering the size of the company and negligible liability, the company has not made provisions for Long term employee benefits & Defined benefits plan"

22. COST AUDITOR

The Board of Directors, on the recommendation of Audit Committee, has appointed M/s. Nainesh Kantliwala & CO, Cost Accountants, (Firm Registration Number 001303) as Cost Auditor to conduct the audit of company's cost records for the financial year 2019-20 at a remuneration of ₹ 50,000/- (Rupees Fifty Thousands only) plus applicable service tax and reimbursement of out of pocket expenses. As required under the Companies Act, 2013, the remuneration of Cost Auditors as approved by the Board of Directors is subject to ratification by the shareholders at the ensuing Annual General Meeting and in this connection resolution seeking member's approval forms part of the Notice convening the 29th Annual General Meeting.

23. SECRETARIAL AUDIT

Mr. Dhiren R Dave, Surat, Practising Company Secretaries were appointed to conduct the secretarial audit of the Company for the financial year 2018-19, as required under Section 204 of the Companies Act, 2013 read with rules framed there under. The Secretarial Audit Report for F.Y 2018-19 is annexed as Annexure-3 to the Director's Report. There is no secretarial audit qualification for the year under review.

24. PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS MADE

Loans, Guarantees and Investments covered under Section 186 of the Companies Act, 2013 form part of the notes to the financial statements provided in this Annual Report.

25. CONTRACTS AND ARRANGEMENTS WITH RELATED PARTIES

All transactions entered with Related Parties for the year under review were on arm's length basis and in the ordinary course of business and that the provisions of Section 188 of the Companies Act, 2013 and the Rules made thereunder are not attracted. Thus, disclosure in form AOC-2 in terms of Section 134 of the Companies Act, 2013 is not required. Further, there are no material related party transactions during the year under review with the Promoters, Directors or Key Managerial Personnel. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

OVERVIEW OF THE ECONOMY

For the global economy the year 2018 was difficult, with the world output growth falling from 3.8 per cent in 2017 to 3.6 per cent in 2018 (Source: *World Economic Outlook* by IMF). Further, the slowdown in the world economy and Emerging Market and Developing Economies (EMDEs) in 2018 followed the escalation of US China trade tensions, tighter credit policies in China, financial tightening alongside the normalization of monetary policy in the economy and some slow down across developed markets.

Growth is projected to remain strong in emerging and developing Asia. India's growth expanded at 7.3 per cent in 2018 and 7.4 per cent in 2019 with strengthening investment and robust private consumption. Further, growth of GDP moderated to 6.8 per cent in 2018-19 from 7.2 per cent in 2017-18 even with this lower growth for 2018-19, however India was still reckoned as fastest growing major economy in 2018-2019. The year under review was marked by structural reforms: GST introduction, the inflation-targeting framework, the Insolvency and Bankruptcy Code, and steps to liberalize foreign investment. Introduced in 2017, GST was one of the most anticipated tax reforms in India, and has had far-reaching implications on how businesses will operate in the country. While GST provides a simplified, single tax regime in line with the tax framework applicable in several major economies across the globe, it had a huge impact on the supply chain and associated mechanisms for the industry. The industry has responded by taking this as an opportunity to redefine supply-chain models, customise IT processes and rationalise tax costs. The performance of the banking system has improved as NPA ratios declined and credit growth accelerated. The ecosystem for insolvency and bankruptcy is getting systematically built out with recovery and resolution of significant amount of distressed asset as well as palpably improved business culture. India's foreign exchange reserves were US\$ 405.64 billion in the week up to March 15, 2019, according to data from the RBI. (Source: IBEF, PwC)

"India's economy is picking up and growth prospects look bright—partly thanks to the implementation of recent policies, such as the nationwide goods and services tax. As one of the world's fastest-growing economies—accounting for about 15 percent of global growth—India's economy has helped to lift millions out of poverty". - International Monetary Fund (IMF) and is expected to be one of the top three economic powers of the world over the next 10-15 years, backed by its strong democracy and partnership. The Government of India, under the Make in India initiative, is trying to give boost to the contribution made by the manufacturing sector and aims to take it up to 25 per cent of the GDP from the current 17 per cent.

INDIAN TEXTILE INDUSTRY

The fundamental strength of Indian Textile Industry flows from its strong production base of wide range of fibres /yarns - from natural fibres like cotton, jute, silk and wool to synthetic/man-made fibres like polyester, viscose, nylon and acrylic. The Indian textile industry is likely to continue its strong growth, buoyed by both strong domestic consumption as well as export demand and has been growing robustly, further it is expected to reach US\$ 226 billion by FY 2023. The Indian Textile Industry, the second largest manufacturer and exporter in the world, contributes 12.65 per cent manufacturing and 2.3 per cent to GDP. The sector is the biggest employer after agriculture employing 4.5 crore people directly and another 6 crore people in allied sectors. The strong performance of textile exports is reflected in the value of exports from the sector over the years. Textile exports increased to US\$ 39.20 billion in FY18 and witnessed a growth (CAGR) of 6.90 per cent over the period of FY 06 to FY18. It reached US\$ 31.65 billion in FY19. [Source: IBEF & Economic Survey 2018-2019]

OPPORTUNITIES

- In FY19, growth in private consumption is expected to create strong domestic demand for textiles.
- India enjoys a comparative advantage in terms of skilled manpower and in cost of production relative to major textile producers.
- Huge investments are being made by Government under Scheme for Integrated Textile Parks (SITP) -(US\$ 184.98 million) and Technology Upgradation Fund Scheme (TUFS) -(US\$ 216.25 million released in 2017) to encourage more private equity and to train workforce.
- Under Union Budget 2019-20, the government has allocated Rs. 700 crore (US\$ 97.02 million) for Amended Technology Upgradation Fund Scheme (ATUFS).
- In May 2018, textiles sector recorded investments worth Rs. 27,000 crore (US\$ 4 billion) since June 2017.
- Foreign direct investment (FDI) of up to 100 percent is allowed in the textile sector through the automatic route.
- The Textile Ministry of India earmarked Rs. 690 crore (US \$106.58 million) for setting up 21 readymade garment manufacturing units in seven states for development and modernization of Indian Textile Sector.

CHALLENGES

- The Indian textile industry has its own limitations such as accesses to latest technology and failures to meet global standards in the highly competitive export market.

- The environmental and social issues like child labor and personal safety norms are also some of the challenges for the textile industry in India.
- The tax structure GST (Goods and Service Tax) make the garments expensive and the other important threat is raising interest rates and labor wages and workers' salaries.

RISK AND CONCERN

- Highly Fragmented Industry and dominated by unorganized sector and Small and medium Industries.
- Limitation of latest technology and failures to meet global standards in the highly competitive export market
- Changing Government Policies at the state and central level affects the textile industry.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of
MOHIT INDUSTRIES LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Mohit Industries Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of matter described in the 'Basis of Qualified Opinion' Paragraph below*, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2019 and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis of Qualified Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

The company has not provided for Post-Employment Benefits and other long term employee benefits under Defined Benefit Plans on accrual basis but provides the same as and when they become due for payment. This method of accounting of Post-Employment Benefits and other long term employee benefits under Defined Benefit Plans is in deviation with Ind AS – 19 on Employee Benefits. As there is no actuarial report or basis of calculation available with the management of such Post-Employment Benefits and other long term employee benefits, the quantum of deviation cannot be ascertained. If the company had followed the method accounting as per Ind AS – 19, then employee benefit expense would have increased and correspondingly Profit for the period would have reduced.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p>Evaluation of uncertain tax positions</p> <p>The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.</p> <p>Refer Notes 32(i) to the Standalone Financial Statements.</p>	<p>Principal Audit Procedures:</p> <p>Obtained details of completed tax assessments and demands as on year ended March 31, 2019 from management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain tax positions as at April 1, 2018 to evaluate whether any change was required to management's position on these uncertainties.</p>
2	<p>Recoverability / Refund of Indirect tax receivables</p> <p>As at March 31, 2019, Current assets in respect of withholding tax and others includes GST Credit and VAT Refund totaling to Rs. 978.65 Lakhs.</p> <p>Refer Note 14 to the Standalone Financial Statements.</p>	<p>Principal Audit Procedures:</p> <p>We have involved our internal experts to review the nature of the amounts recoverable, the sustainability and the likelihood of recoverability upon final resolution.</p>

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon. The Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and describe actions applicable in the applicable laws and regulations.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud and error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusion are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may be reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Annexure "B" to the Independent Auditor's Report of Even date on the Standalone Financial Statements of Mohit Industries Limited for year ended on 31st March, 2019

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Mohit Industries Limited** ("the Company") as of 31st March, 2019 in conjunction with our audit of standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes Forming Part of Financial Statements for the year ended 31st March, 2019

1 CORPORATE INFORMATION

Mohit Industries Limited ('the company') is a public limited company domiciled in India and incorporated under the provisions of the Company Law. Its shares are listed on BSE and NSE. The company is having its head quarters in Surat and plants at Kim. The company is primarily engaged in manufacture of Texturized Yarn from POY and weaving of the Yarn to Grey Cloth.

2 BASIS OF PREPARATION

The financial statements (on standalone basis) of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016.

Functional and presentation of currency

The financial statements are prepared in Indian Rupees which is also the Company's functional currency.

Basis of measurement

The financial statements have been prepared on a historical cost basis except for Certain Financial Assets measured at fair value (refer accounting policy regarding financial instruments.)

Use of significant accounting estimates, judgements and assumptions

The preparation of financial statements requires the management to make estimates and assumptions considered in reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that estimates used in preparation of financial statements are prudent and reasonable. Future results could differ due to these estimates and the difference between actual results and the estimates are recognised in the periods in which these gets materialized.

3 SIGNIFICANT ACCOUNTING POLICIES

3.1 Presentation and disclosure of financial statements

All assets and liabilities have been classified as current and non-current as per Company's normal operating cycle and other criteria set out in the division II of Schedule III of the Companies Act, 2013, for a Company whose financial statements are made in compliance with the Companies (India Accounting Standards) Rules, 2015. Deferred tax liabilities are classified as non-current liabilities.

Based on the nature of business and their realization in cash and cash equivalents, 12 months has been considered by the Company for the purpose of current / non-current classification of assets and liabilities.

3.2 Property, plant and equipment

- i) Under the previous GAAP, property, plant and equipment were carried at historical cost less depreciation and impairment losses, if any. On transition to Ind AS, the Company has availed the optional exemption under Ind AS 101 and accordingly it has used the carrying value as at the date of transition i.e. 1st April 2016 as the deemed cost of the property, plant & equipment under Ind AS.
- ii) Subsequent to transition date, property, plant and equipment are stated at cost of acquisition less accumulated depreciation and accumulated impairment losses, if any. Cost of property, plant and equipment includes non-refundable taxes and duties, borrowing cost directly attributable to the qualifying asset and any directly attributable costs of bringing the asset to its working condition for its intended use.
- iii) Capital work-in-progress comprises of cost incurred on property, plant and equipment not yet ready for their intended use at the Balance Sheet date. Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'.

3.3 Depreciation on property, plant and equipment

- a) Depreciation on property, plant and equipment (other than freehold land and capital work in progress) is provided on SLM over the useful life of the relevant assets net of residual value whose life is in consonance with the life mentioned in Schedule II of the Companies Act, 2013.
- b) In the case of assets purchased, sold or discarded during the year, depreciation on such assets is calculated on pro-rata basis from the date of such addition or as the case may be, upto the date on which such asset has been sold or discarded.
- c) Depreciation on addition has been provided from the date of putting the assets into use.

3.4 Investment properties

Investment properties are measured at cost, including transaction costs.

3.5 Intangible assets

- i) Under the previous GAAP, intangible Assets acquired separately are measured on initial recognition at cost. Following initial recognition intangible assets are carried at cost less any accumulated amortization. On transition to Ind AS, the Company has availed the optional exemption under Ind AS 101 and accordingly it has used carrying value as at the date of transition i.e. 1st April 2016 as the deemed cost of intangible assets under Ind AS.
- ii) Subsequent to transition date, Intangible Assets acquired separately are measured on initial recognition at cost. Following initial recognition intangible assets are carried at cost less any accumulated amortization. Intangible assets are recognised only if it is probable that the future economic benefits attributable to the asset will flow to the enterprise and the cost of asset can be measured reliably.

3.6 Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- i) Raw Materials, Packing Materials & Stores & Spares: Costs include cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Costs is determined based on weighted average basis.
- ii) Finished Goods and Work in Progress: Costs include cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Costs is determined based on weighted average basis.

3.7 Financial instruments**Initial Recognition**

All financial instruments are recognized initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through OCI) are included in the fair value of the financial assets. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognised on trade date. While, loans and borrowings and payables are recognised net of directly attributable transaction costs.

Subsequent Measurement

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

a) Non-derivative financial assets**(i) Financial assets at amortised cost**

A financial asset shall be measured at amortised cost if both of the following conditions are met:

- (a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss.

Trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets are measured at Amortized Cost.

(ii) Debt instruments at FVTOCI

A debt instrument shall be measured at fair value through other comprehensive income if both of the following conditions are met:

- (a) the objective of the business model is achieved by both collecting contractual cash flows and selling financial assets and
- (b) the asset's contractual cash flow represent SPPI

Debt instruments included within FVTOCI category are measured initially as well as at each reporting period at fair value plus transaction costs. Fair value movements are recognised in other comprehensive income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain loss in statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from equity to profit and loss. Interest earned is recognised under the effective interest rate (EIR) model.

(iii) Equity instruments at FVTOCI

All equity instruments are measured at fair value. Equity instruments held for trading is classified as FVTPL.

For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in OCI. The Company makes such election on an instrument-by-instrument basis.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividend are recognised in OCI which is not subsequently recycled to statement of profit and loss.

(iv) Financial assets at FVTPL

FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortised cost or as FVTOCI, is classified as FVTPL.

In addition the Company may elect to designate the financial asset, which otherwise meets amortised cost or FVOCI criteria, as FVTPL if doing so eliminates or significantly reduces a measurement or recognition inconsistency. The Company has not designated any financial asset as FVTPL.

Financial assets included within the FVTPL category are measured at fair values with all changes in the statement of profit and loss.

b) Non-derivative financial liabilities**(i) Financial liabilities at amortised cost**

Financial liabilities at amortised cost represented by borrowings, trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest rate method.

3.8 Revenue recognition

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- A. Sale of goods is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer and are recorded at the fair value of the consideration received or receivable, net of returns and allowances, trade and volume discounts.
- B. Interest income in respect to all the Debt Instruments and deposits which are measured at cost or at fair value through other comprehensive income, is recorded using effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest Income is included in Other Income in the statement of profit and loss.
- C. Export Benefits are recognized in the year of export
- D. Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed.
- E. Revenue from Operations is measured at the fair value of consideration received / receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

3.9 Foreign currency transactions

Transactions denominated in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction. As at the Balance Sheet date, foreign currency monetary assets and liabilities are translated at closing exchange rate. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss.

Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined.

Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cash flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

3.10 Employee Benefits

- (a) All the Short Term Employee Benefits are accounted for on the basis of services rendered by the employees of the company.
- (b) Company contributes towards Provident Fund which is Defined Contribution schemes. Liability in respect thereof is determined on basis of contribution required to be made as per statutes/ rules.
- (c) No provision has been made for Long Term Employee Benefits such as Gratuity and Leave Encashment as the same are recognized as and when they become due for payment.

3.11 Borrowing Cost

Borrowing Costs that are attributable to the acquisition, construction or production of qualifying assets are capitalized as part of Cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged the Statement of Profit & Loss.

3.12 Taxes on income

Tax expenses for the year comprises of current tax, deferred tax charge or credit and adjustments of taxes for earlier years. In respect of amounts adjusted outside profit or loss (i.e. in other comprehensive income or equity), the corresponding tax effect, if any, is also adjusted outside profit or loss.

Provision for current tax is made as per the provisions of Income Tax Act, 1961.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences, and deferred tax assets are recognised for all deductible temporary differences, carryforward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

3.13 Excise Duty, Value Added Tax (VAT) & GST

Excise Duty, VAT and GST credit received on purchases is reduced from respective item of purchases.

Excise Duty, VAT and GST on Sales is credited to Payable account and differential amount, if any, is paid. Thus, the company has followed exclusive method of accounting whereby purchases, sales and stock is shown exclusive of GST and accounted for in separate Account.

3.14 Provisions and contingent liabilities

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources.

42 Financial Risk Management

Mohit Industries Limited (MIL) continues to deploy a well articulated risk management framework. This is based upon a three-tiered approach encompassing (i) enterprise risks, (ii) process risks, and (iii) compliance risks.

- (i) Enterprise risk : The company continue to evaluate the risk and also ensures that the mitigation processes are in place.
- (ii) Process risk management involves assurances by the Company's internal audit department regarding the effectiveness of business and financial controls and processes in all key activities across the various business processes.
- (iii) Compliance risk management comprises a detailed mechanism of assurances with respect to adherence of all laws and regulations, with a comprehensive reporting process that cascades upwards from the accountable business line executives to MIL's Audit Committed and then on to the Board of Directors.

The outcomes of business review meetings conducted by management and internal audit regarding processes and their compliance, as well as observations of the Audit Committee and the Board of Directors are continuously incorporated to capture new risks and update the existing ones. All three dimensions of MIL's Risk Management framework are reviewed annually for their relevance and modifications, as required. The businesses and internal audit make regular presentations to the Audit Committee for detailed review. The risk management process, including its tracking and adherence, is substantially enabled for greater consistency and better reporting capabilities.

- 43** Additional Information as required by para 7 of General Instructions for preparation of Statement of Profit and Loss (other than already disclosed above) are either Nil or Not Applicable.
- 44** Previous Year Figures have been regrouped/rearranged wherever necessary.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of
MOHIT INDUSTRIES LIMITED

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated financial statements of **Mohit Industries Limited** ('the Holding Company') and its associates (collectively referred to as "the Company" or "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2019, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Cash Flow Statement, the consolidated Statement of Changes in Equity for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of matter described in the 'Basis of Qualified Opinion' Paragraph above*, the aforesaid Consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at 31st March 2019 and their consolidated profit, consolidated changes in equity and their consolidated cash flows for the year then ended.

Basis of Qualified Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associates entities in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by ICAI and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

The company has not provided for Post-Employment Benefits and other long term employee benefits under Defined Benefit Plans on accrual basis but provides the same as and when they become due for payment. This method of accounting of Post-Employment Benefits and other long term employee benefits under Defined Benefit Plans is in deviation with Ind AS – 19 on Employee Benefits. As there is no actuarial report or basis of calculation available with the management of such Post-Employment Benefits and other long term employee benefits, the quantum of deviation cannot be ascertained. If the company had followed the method accounting as per Ind AS – 19, then employee benefit expense would have increased and correspondingly Profit for the period would have reduced.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p>Evaluation of uncertain tax positions</p> <p>The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.</p> <p>Refer Notes 32(i) to the Standalone Financial Statements.</p>	<p>Principal Audit Procedures:</p> <p>Obtained details of completed tax assessments and demands as on year ended March 31, 2019 from management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain tax positions as at April 1, 2018 to evaluate whether any change was required to management's position on these uncertainties.</p>

2	<p>Recoverability / Refund of Indirect tax receivables</p> <p>As at March 31, 2019, Current assets in respect of withholding tax and others includes GST Credit and VAT Refund totaling to Rs. 978.65 Lakhs.</p> <p>Refer Note 14 to the Standalone Financial Statements.</p>	<p>Principal Audit Procedures:</p> <p>We have involved our internal experts to review the nature of the amounts recoverable, the sustainability and the likelihood of recoverability upon final resolution.</p>

Management's Responsibility for the Consolidated financial statements

The Holding Company's Board of Directors is responsible for the preparation of the consolidated financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Companying accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates entities are responsible for assessing the ability of the Group and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates entities is responsible for overseeing the financial reporting process of the Group and of its associates and jointly controlled entities.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusion are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated financial statements. We are

responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:-

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act *except for Ind AS - 19 on Employee Benefits in respect of provision for Long Term Employee Benefit & Defined Benefit plans.*
- e) *In our opinion, the tax demands litigation matters described in sub-paragraph (1) under the 'Emphasis of Matters' paragraph above, if decided against the holding company, may have an adverse effect on the functioning of the Company.*
- f) On the basis of the written representations received from the directors of the Holding Company as on 31st March 2019 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditors of its subsidiary companies incorporated in India, none of the Directors of the Group companies incorporated in India is disqualified as on 31st March 2019 from being appointed as a Director of that company in terms of sub-section 2 of Section 164 of the Act.
- g) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 28(i) to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure "A" to the Independent Auditor's Report of Even date on the Consolidated Financial Statements of Mohit Industries Limited for year ended on 31st March, 2019**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March 2019, we have audited the internal financial controls over financial reporting of Mohit Industries Limited ("the Company") and its subsidiary companies which are companies incorporated in India, as of 31st March, 2019.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Notes Forming Part of Consolidated Financial Statements for the year ended 31st March, 2019

1 CORPORATE INFORMATION

Mohit Industries Limited (‘the company’) is a public limited company domiciled in India and incorporated under the provisions of the Company Law. Its shares are listed on BSE and NSE. The company is having its head quarters in Surat and plants at Kim. The company is primarily engaged in manufacture of Texturized Yarn from POY and weaving of the Yarn to Grey Cloth.

The consolidated financial statements comprise financial statements of Mohit Industries Limited (‘the Company’), its subsidiaries and associate (collectively, the Group) for the year ended 31st March, 2019.

2 BASIS OF PREPARATION

The consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016.

3 SIGNIFICANT ACCOUNTING POLICIES

3.1 Principles of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at 31st March 2019. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary. Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member’s financial statements in preparing the consolidated financial statements to ensure conformity with the group’s accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31 March 2019. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

3.2 Consolidation procedure:

- (a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognized in the consolidated financial statements at the acquisition date.
- (b) Offset (eliminate) the carrying amount of the parent’s investment in each subsidiary and the parent’s portion of equity of each subsidiary.
- (c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognized in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS - 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting

policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

The Group's investment in its associate is accounted for using the equity method. Under the equity method, the investment in an associate is initially recognized at cost. The carrying amount of the investment is adjusted to recognize changes in the Group's share of net assets of the associate since the acquisition date. Goodwill relating to the associate or joint venture is included in the carrying amount of the investment and is not tested for impairment individually.

3.3 Goodwill / Capital Reserve on consolidation:

The excess of cost to the Parent company of its investment in Subsidiary Companies and Associate Companies over the Parent Company's portion of equity, at the date on which investment in Subsidiaries and Associate Companies is made, is recognized as Goodwill in the Consolidated Financial Statements. When the cost to the Parent Company is less than the Parent Company's portion of equity, the difference is recognized in the financial statements as Capital Reserve. After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

3.4 Other significant accounting policies

These are set out under "Significant Accounting Policies" as given in separate financial statements of Parent and subsidiary.

- 42** Mohit Industries Limited (MIL) continues to deploy a well articulated risk management framework. This is based upon a three-tiered approach encompassing (i) enterprise risks, (ii) process risks, and (iii) compliance risks.

- (i) Enterprise risk : The company continue to evaluate the risk and also ensures that the mitigation processes are in place.
(ii) Process risk management involves assurances by the Company's internal audit department regarding the effectiveness of business and financial controls and processes in all key activities across the various business processes.
(iii) Compliance risk management comprises a detailed mechanism of assurances with respect to adherence of all laws and regulations, with a comprehensive reporting process that cascades upwards from the accountable business line executives to MIL's Audit Committed and then on to the Board of Directors.

The outcomes of business review meetings conducted by management and internal audit regarding processes and their compliance, as well as observations of the Audit Committee and the Board of Directors are continuously incorporated to capture new risks and update the existing ones. All three dimensions of MIL's Risk Management framework are reviewed annually for their relevance and modifications, as required. The businesses and internal audit make regular presentations to the Audit Committee for detailed review. The risk management process, including its tracking and adherence, is substantially enabled for greater consistency and better reporting capabilities.
